From the Editor

During the past few months we have been addressing the two major issues brought to the attention of the MFHA Board (loose dogs and traffic violations). We feel that we are making progress; however, we had yet another incident of a loose dog attacking another neighbor's dog. We as a board will continue to address this issue; however, residents can help by calling St. Tammany Parish Animal Control immediately when you see a loose dog. Also remember:

“One picture is worth a thousand words.” The number for animal control is: **985-809-0183**.

As promised the patrols were significantly increased during the month of June. Four citations and four warnings were issued. Even though we requested the deputy not to issue any warnings, it is entirely left to his/her discretion as to what kind of action to take. We will continue to authorize the increased patrols until such time as we feel the problem is under control.

Regarding increased traffic signs, we did not get any positive feedback from residents. The feedback was that we already had enough signs, and that additional signs would only clutter the neighborhood. Regarding the speed bumps, there is some liability connected to installation of speed bumps. Councilman **Gene Bellasario** will be attending our next board meeting and will discuss various options with us.

We will keep you informed.

Magnolia Forest Residents enjoy a night out.

Recently, a group of Magnolia Forest residents enjoyed a dinner and live music together at Cotes Restaurant. A highlight of the night was listening to the music of one of our own residents, **Ruby Exposito**.

Ruby is currently finishing up her online courses and will be attending The **New Orleans School for Creative Arts (NOCA)** in the fall. She will be in the Musical and Theater division. Ruby is also a member of the Young Actors Theater Group, and is currently auditioning for one of the upcoming productions at the Slidell Little Theater.

Magnolia Forest residents pictured above from left are: **Betty Rose, Rocky Solar, Nancy Fisher, and Jerry Fisher**. Right side of table from right are: **Jay Rose, Carroll Knowles, Jill Courseault, and Percy Courseault, Jr**. Present but not pictured are: **Sandy Solar and Lennie Knowles**.

Alex is on Stage

Magnolia Forest resident **Alex Richier** is hitting the stage this summer in roles ranging from a troll chef to a hippie in productions at **Slidell's Cutting Edge Theater**. He plays the role of Chef in Cutting Edge's performance of Trolls running July 19-22.

In addition, Alex joins the cast of hippies on stage in the 50th anniversary production of **HAIR**, the musical. This show will run, July 27-Aug 19. The Cutting Edge Theater is located at 767 Robert Blvd.

For additional information, please call: 985-649-3727. Also, to get a discount on tickets, use code: **AlexHair**.

Alex is the son of Chris and Melissa Richier, long time residents of Magnolia Forest.

Garden of the Month

The garden of Paul and Cindy Rao of 817 Pine Alley was selected by Judges Alma Dupuy and Jamie Powers of the Magnolia Forest Garden Club as Garden of the Month for June 2018. The entrance to the home was enhanced by large red knockout rose bushes and sago palms on both sides of the sidewalk. Varieties of lilies, cannas, gardenias and tropical plants, trimmed shrubs and hedges adorned the sides of the house. A large flag was also displayed neatly at the front entrance to the home. The mailbox was decorated with a small American flag and surrounded by large rocks and portulaca flowers. The lawn was nicely manicured with mature trees surrounded by mulch. An outdoor swing hung from a large tree giving the yard an ambience for the summer.
