

MFGC Installation Luncheon

The Magnolia Forest Garden Club (MFGC) held their Installation Luncheon on May 10, 2018 at Keith Young's Steakhouse. Everyone enjoyed the venue, excellent service, delicious meal, and fellowship. In keeping with the theme of the MFGC, table arrangements were decorated with magnolia leaves and blossoms, place card favors, and New Orleans Lanterns.

Thanks to Jubilee Food Store in Pearl River for donating the Magnolia Blossoms.
