

The Magnolia Forest Garden Club held their November meeting at the home of Nancy O'Bryan with 4 co-hostesses. The home was decorated with fall colors and the refreshments were delicious. Jan Smith, past LGCF State Tour Chairman, presented an interesting program on "Planting from Seed". She loves color, and she filled her flower beds with lots of seeds. Magnolia Forest Garden Club is a member of Louisiana Garden Club Federation, Inc., National Garden Clubs, Inc. and Deep South Garden Clubs, Inc.
