

Magnolia Forest Garden Club met at Park Provence Senior Living to celebrate Arbor Day, and the planting of a satsuma tree in the courtyard where one of it's members resides. There was a short program in the large living room to explain the Foundation and how they strive to inspire people to plant, nurture, and celebrate trees. Not only that but trees improve the living conditions in our yards, in our neighborhoods, and, in our cities. Arbor Day is always celebrated on the third Friday of January in Louisiana.

Magnolia Forest Garden Club is a member of Louisiana Garden Club, Inc., National Garden Clubs, Inc., and Deep South Garden Clubs, Inc.

Picture in the yard: Betty Rose, Jane Freeman, Beryl Deris, Margo Necaie, Kiyomi Boyer, Alma Dupuy, Nancy O'Bryan, Janet Bernard, and Mary Jean Herman

Members from left are Betty Rose; Margo Necaie; Nancy O'Bryan; Alma Dupre, program leader; Mary Jean Herman; Beryl Deris; and front, Kiyomi Boyer
