MFHA BOARD RECEIVES MUCH NEEDED HELP

At the June 2019 Board meeting Gina Nash and Allison Winkler were appointed to the Board by MFHA Board President Pete Giuffria. The appointments were unanimously approved by the entire board.

Gina Nash

Before joining the board, Gina created, directed, and participated in the very successful 2018 Halloween Hayride. Currently, as a member at-large, Gina has already begun developing a Facebook page for Magnolia Forest Homeowners. In addition, she will be assisting as a contributing editor for the newsletter.

Allison Winkler

Before joining the board, Allison was credited with developing and installing the Little Free Library for Magnolia Forest residents. There are over 75,000 free libraries worldwide, and one of them is located at the corner of Nottoway and Morgan Bluff. Allison will serve as Board secretary.

Please remember to fly your flags on July 4th.

The July newsletter will not be delivered until the weekend of July 12th due to unavailability of staff.

Note: Recently, there was a major fire at the home of the Elfers, 204 Woodlawn. The house appears to be a total lost.

Thank You to those who volunteered to assist with the first Keep St. Tammany Beautiful Shredding Day. It was a tremendous success. 13,040 lbs. were collected. This was the result of 157 families coming in 151 vehicles dropping off 411 boxes.

-submitted by Carroll Knowles

HAPPY FATHER'S DAY

Father's Day this year will be celebrated on Sunday, June 16th. Below are a few Father's Day quotes that you may enjoy:

A father is someone you can look up to no matter how tall you grow

-Unknown

There are three stages of a man's life: He believes in Santa Claus, he doesn't Believe in Santa Claus, He **is** Santa Claus

-Unknown

By the time a father realizes his son may have been right, he usually has a son who thinks he is wrong

-Charles Wadsworth

Thank You to those who flew the flag for all who gave their lives for our freedom. I am confident that those families, as well as our current armed services personnel and veterans appreciated our efforts.

It may be interesting to note that the number of veterans currently living in Magnolia Forest is reaching the 50 mark. Recently, I have been able add an additional 5 veterans to the list.

As previously mentioned, the names of all the Magnolia Forest Veterans will be published in the November newsletter.

PLEASE, if you have moved into Magnolia Forest within the last 2 years and have not registered with me, you may do so by simply forwarding me: name, dates of service, branch of service.

My contact information is located in the left hand column of each newsletter.

GARDEN OF THE MONTH

The Magnolia Forest Garden Club's Garden of the Month for May was awarded to Chris and Pete Giuffria located at 100 Houmas Court. Judges Florence Onstad and Janet Fouert chose the home with its largely monochromatic color scheme of various shades of green, largely because of its neatly manicured yard. Sago palms, aspidistra and blooming ligustrum added a variety of textures and the walkway to the porch was neatly trimmed in mondo grass, all of which resulted in a restful and inviting pathway leading up to the home.

Garden Club Installation

The Magnolia Forest Garden Club recently held their officer installation luncheon at Keith Young's Steakhouse in Madisonville, LA. Penny Crawford, a National Garden Club Master Flower Show judge installed the new officers.

Suzanne Robinson, President; Tammy Artalona, 1st Vice President; Beryl Deris, 2nd Vice President; Margo Necaie, Secretary; Mary Jean Herman, Treasurer; Janet Bernard, Historian; Penny Crawford, installer, and Betty Rose, Parliamentarian.

More Alligator Sightings

Three alligators were recently removed from the pond in the area of Morgan Bluff and Ashland.

They were removed by Louisiana Wildlife & Fisheries. Two of them were 6 feet in length and the other was 8 feet.

Residents who spot alligators should contact Wildlife and Fisheries (985-643-3938). Upon calling, Wildlife and Fisheries will provide the caller with a code. This code will be used to confirm with the caller when the alligator has been removed.
