

November Garden Club Meeting

The Magnolia Forest Garden Club November general meeting was held at the home of Nancy O'Bryan with the help of co-hostesses Jane Freeman, Susan Baker and Carol Hodge. The program following the meeting was presented by Master Gardener Penny Crawford of Diamondhead, MS. She demonstrated the beauty of using all green cuttings from the woods or just your own yard to make beautiful, long lasting arrangements.

The Magnolia Forest Garden Club is a member of Louisiana Garden Club Federation, Inc., National Garden Clubs, Inc. and Deep South Garden Clubs, Inc.
