

## **Magnolia Forest Garden of the Month for October**

The residence of Jay and Betty Rose at 525 Oak Alley Drive was selected as Garden of the Month for October by judges Janet Bernard and Barbara Burgueno of the Magnolia Forest Garden Club. The beautifully manicured lawn set the stage for the mounds of gorgeous flowering shrubs and plants lining the front garden beds. Blue Plumbago, yellow Athena Sun Euryops, red Little John Bottlebrush, Knockout Roses, the small purple leaves of the Alternanthera, Indian Hawthorn and Aztec Grass were not only a feast for the eyes, but a delicious banquet for the visiting Butterflies. Congratulations to Jay and Betty.

Magnolia Forest Garden Club is a member of Louisiana Garden Club Federation, Inc., National Garden Clubs Inc, and Deep South Garden Clubs, Inc.
