

The beautiful yard of Nancy Fisher of 917 Morgan Bluff Road was chosen as the Yard of the Month for March by Judges Jill Courseault and Pam Anderson. The lawn was neatly manicured and well maintained. The yard had a pleasing combination of trees and flowering shrubs such as azaleas, Indian hawthorns and cypress. Nandina, azaleas, camellias, sago palms and variegated lirioppe provided a variety of colors and textures that were very pleasing to the eye. Congratulations, Nancy, on being awarded Magnolia Forest Garden Club Yard of the Month for March, 2020.
