

July Garden of the Month

Congratulations to the Diers, Jennifer, Joe and their son Jeffery, 700 Ashland Dr., winners of the Garden of the Month Award sponsored by the Magnolia Forest Garden Club.

The lawn, lush and green is mowed to a perfect height with nary a weed to be found. The garden consists of Caladiums, Cast Iron, Variegated Ginger Lilly, Lilly of the Valley, Vincas, Hosta, Camellias, Sago Palms, and Box Holly. Pine trees and blooming Crepe Myrtles add to the overall beauty of the pleasant garden.

Many thanks to our neighbors for keeping Magnolia Forest looking so beautiful.
