

## November Magnolia Forest Garden Club Meeting

Members of the Magnolia Forest Garden held their November meeting outdoors at Heritage Park in Olde Town Slidell.

The weather was a beautiful fall day and everyone enjoyed being outside. The meeting began with the pledge to the flag waving under a clear blue sky. Our very creative member, Joann Round gave a demonstration of clever, whimsical projects made from wine corks.

The Magnolia Forest Garden Club is a federated member of the Louisiana Garden Club, Inc., The National Garden Club, Inc., and The Deep South Garden Club, Inc.
