

**MAGNOLIA FOREST GARDEN CLUB  
MAY 2021 GARDEN OF THE MONTH**

KEVIN AND DEBBIE MAEHLER  
923 MORGAN BLUFF

The garden bed surrounding the home at 923 Morgan Bluff was planted in memory of the Maehler's respective fathers. Charles Maehler brought his enthusiasm of gardening with him when he relocated to live with Kevin and Debbie. Debbie is from Portland, the Rose City, and planted the roses in memory of her father who raised roses at their home in Portland. The garden bed contains a variety of pleasingly grouped plants including roses, agapanthus, loropetalum, miniature gardenias, and two little gem magnolias. The roses are in full bloom and the agapanthus are full of buds and will be in full bloom shortly. The garden was planned for something to be in bloom in season. The lawn is in good condition and neatly cut and edged. Congratulations and thanks to the Maehlers for adding beauty to the Magnolia Forest Subdivision. Judges for May were Suzanne Robinson and Carroll Knowles.
