

JUNE 2021 GARDEN OF THE MONTH

CHARLIE AND CHRISTINE HARPER

509 VERSAILLE DRIVE

The home was selected because there was a colorful newly planted garden bed consisting of sun impatiens, lirioppe, Indian Hawthorne, and lantana. In addition, there was blue Lilly of the Nile, Caladiums, and daisies, just starting to bloom.

Also, several large sunshine Ligustrum were included to enhance the other flowers and plants. Judges for June were Nancy Fischer and Mary Jean Herman
