

MFGC – GARDEN OF THE MONTH - JUNE 2022

The Garden of the Month award for Magnolia Forest subdivision for June was awarded to Mickey and Sue Ellen Farley of 449 Parlange Drive. The lawn was beautifully manicured with a lovely island containing daylilies and yellow lantana. The beds along the front of the home contained Chinese loropetalum, Mexican heather, philodendron, clumps of monkey grass, variegated flax, foxtail fern and potted gerbera daisies and portulaca. The overall appearance enhances the beauty of Magnolia Forest. Judges were Carol Hodge and Joann Round.
