

September Garden Club Meeting

The Magnolia Forest Garden Club held their first garden club meeting out of town in Picayune, MS at a member's new home. Nancy O'Bryan, President, called the meeting to order with a Pledge of Allegiance, followed by an opening prayer. The Treasurer's report was given, and the roll was called. The new yearbooks were distributed, and the monthly programs were discussed. In fact, next month's program will be "Easy Pumpkin Decoration" which is just in time for fall. After the meeting, the members enjoyed a variety of delicious refreshments.
