

April Garden of the Month

THE MAGNOLIA FOREST GARDEN CLUB honors the yard of Lynn and Lisa Adams at 465 Parlange Drive, Pearl River, LA. as April Garden of the Month.

Their yard was well trimmed and the flower beds designed to feature many species of plants.

The Lorapetalum in the back of the front bed was accented by the lime green of the sunshine ligustrum, and the dark green of the Juniper in the front. Other shrubs included Boxwood, Japanese Holly, Crepe Myrtle trees, and Giant Evergreen Liriope. The front door was framed by 2 Carolina Blue Sapphire Cypress Pom Pom shrubs. The yard also had several other trees including a red maple.
