

July Garden of the Month

The Magnolia Forest Garden Club judges for Garden of the month of July selected the home of Perry and Terry Becnel at 502 Southdown. Their front yard is a flower shop itself with a variety of blooming and green plants. As judges we were overwhelmed with roses, Graney Gray Beard, Penta, Crepe Myrtles, Boston fern and ornamental grass. All were artistically arranged in a large setting. Judges were Carol Hodge and Suzanne Robinson.
