

## September 2023 Garden of the Month

The home of Michael and Melissa Pousson at 906 Tranquility Drive has been awarded Magnolia Forest Garden of the Month for September 2023. Garden club judges were Carol Carrigan, Colleen Fickle and Suzanne Robinson.

Despite the record high temperatures and lack of rain, this garden is a true survivor. Beautiful crepe myrtles anchor the garden. Newly planted sasanquas and cone shaped boxwoods welcome visitors to the inviting seating area on the front porch. Mondo grass lines the beds and runs down the side of the house.
