

## June Garden of the Month

The home of Joe and Jennifer Dier at 700 Ashland Drive was awarded the Yard of the Month for June 2024 by the Magnolia Forest Garden Club.. The lawn was neatly manicured with spots of color provided by blue Agapanthus, yellow Cockscomb and Daisies, pink Begonia, red Roses, white and green Caladiums and orange Day Lillies. The shrubs were pruned to provide a tiered focus. Trees were circled with Aspidistra to complete this lovely setting.

The judges were garden club members Nancy O'Bryan and Jane Freeman.
