

Magnolia Forest Garden of the Month - November 2024

The home of John and Charlotte Campbell located at 513 Hermitage Drive was selected as the November 2024 Garden of the Month for Magnolia Forest Subdivision. This home has a beautifully manicured lawn with native Oak and Pine trees. The garden was a stand out with seasonal Yellow Chrysanthemums. Other notable plants were Shishi Sasanquas, Indian Hawthorn, Sweet Olive, Sunshine Ligustrum, Juniper and Foxtail Fern. The homeowner had a four-tier fountain to welcome visitors with the serene sound of trickling water. This month's judges were Lynda Donaldson and Colleen Fickle of the Magnolia Forest Garden Club.
