

March 2025 Garden of the Month

The home of A.J. and Marion Finnin at 204 Evergreen was awarded Garden of the Month for March by the Magnolia Forest Garden Club. The lawn was neatly raked and there were two willow oak trees and a cypress tree in the front yard. The side and front garden beds were filled with pink, white and purple petunias and pansies. Yellow snap dragons were also intermingled with the other flowers to create a delightful show of colors.

Judges for this month were Judy Cogle and Mary Jean Herman.
